Has any dispensary been built at Benkapur a Thenthathally

DP. 6/3

Sir

The Dispensary at Thenthathally is being held in a private building for which Rs 8 ~~for~~ are paid as rent every month. As far as I know no building has been yet constructed at Thenthathally.

The D. F. Budget for 1893-94 makes no provision whatever for the house rent of Benkapur, while Rs 60 were provided in 1892-93. Govt building must have been completed before the commencement of the year 1893-94.

I have no precise information on the point as D.P.W. who construct Dispensary buildings, give us no intimation when such buildings are ready for occupation.

To

The Chief Secretary to the
Dewan of Mysore
Bangalore.

Sir,

In forwarding herewith copies of the marginally noted correspondence between this office, the Executive Engineer and the Senior Surgeon regarding the construction of the Local Fund Dispensary at Sirthalli, I have the honor to request that for reasons given in my letter No 860 dated 1st Instant to the address of the Senior Surgeon that the Chief Engineer may be requested, if no other Funds are available, to transfer the allotment made for the Bankipur Dispensary for the construction of the Local Fund Dispensary and Hospital Assistants Quarters at Sirthalli so that the work may be put in hand

2. If my letter had reached Dr Macfarlane before his departure, I am sure he would not have objected to the proposal which was simply made on account of urgent necessity, for while the Bankipur Dispensary is located in a tolerably good place, a suitable building is much needed at Tirhalli, the present rented house is not only inconveniently situated but is also quite unsuited for the purpose.
